Dance increases flexibility and coordination. Overall health is improved. Friendships are developed. Participation in-group activities teach the students cooperation. Dance teaches the students what it means to be a member of a team.

All the teachers at Corrales Dance Studio would like to thank the parents for their continuing support. We truly enjoy teaching your children and hope that they will not only come away with a higher level of ability but also a higher level of enjoyment of dance. We look forward to an exciting new year ahead of us!

## REGISTRATION

Registration cards will be given to all students and must be filled out, front and back, at the first class.

### New Students:

There will be a \$20.00 registration fee for all new students. This fee is to be paid at the first class. This is a one time only fee. The registration fee proceeds will be used for general studio improvements.

### Continuing Students:

All students continuing their dance education from last year will not be required to pay a registration fee.

## TUITION

Tuition is to be paid at the first class of every month. To better help us track student accounts, please write the student's first and last name in the 'For' location of your check. Tuition payments made in cash should be in a sealed envelope with the student's first and last name written on the outside. A receipt for all cash payments will be given to the student the following week.

Tuition is a monthly fee and is not a cost per class. Tuition will not be higher in months that may have 5 classes, nor will it be lower for months that may have only 3 classes. Corrales Ballet always observes Thanksgiving and winter break. No classes will be held the week of Thanksgiving and the week of winter break. If a student is unable to make a scheduled class due to an extenuating circumstance, like illness, makeup classes are available.

### Tuition Rates:

Standard tuition of \$40.00 is based on 1 class per week (or 4 classes a month). Tuition is not per individual but per immediate family (a family with two students taking 1 class each per week will have a tuition cost of \$65.00). The following is a breakdown of tuition rates:

- \$40.00 for 1 class per week
- \$65.00 for 2 classes per week
- \$85.00 for 3 classes per week
- \$105.00 for 4 classes per week
